

Asia-Pacific Workshop on Particle Physics and Cosmology 2021

Thursday 05 August 2021

Formal (12:15-12:30)

-Conveners: Cheng-Wei Chiang

time	[id] title	presenter
12:15	[60] New effect in wave-packet scatterings of quantum fields	NISHIWAKI, Kenji

Formal (16:15-17:00)

-Conveners: Kin-ya Oda

time	[id] title	presenter
16:15	[54] A complete set of Lorentz-invariant wave packets and modified uncertainty relation	JUNTARO, WADA
16:30	[52] Dynamically emergent gravity from hidden local Lorentz symmetry	YAMADA, Masatoshi

Friday 06 August 2021

Formal (10:00-10:30)

-Conveners: Ryuichiro Kitano

time [id] title

presenter

10:00	[53] Missing final state puzzle in monopole-fermion scattering	MATSUDO, Ryutaro
