Session Program

Nov 10 – 13, 2026

Lecture - Introduction to Quantum Stars

Introduction to Quantum Stars

zoom meeting

Tue, November 10

2:00 PM

4:00 PM

Introduction to Quantum Stars: Introduction to Quantum and Nuclear Physics

Session | **Location:** zoom meeting

Wed, November 11

10:00 AM

12:00 PM

Introduction to Quantum Stars: Introduction to Physics of Phase Transitions

Session | **Location:** zoom meeting

Thu, November 12

10:00 AM

12:00 PM

Introduction to Quantum Stars: Introduction to Quantum Stars (Neutron Stars)

Session | **Location:** zoom meeting

Fri, November 13

10:00 AM

12:00 PM

Introduction to Quantum Stars: Physics of Neutron Stars and Dark Matter

Session | **Location:** zoom meeting
